

„SAVE THE DATE“ IN JULY

INVITATION TO OUR OPEN HOUSE 2022

Dear customers, partners and colleagues,

we would like to personally invite you to our Open House 2022. The event will take place at 4 & 5 July (Monday and Tuesday), from 10 a.m. to 6 p.m. each day. Enjoy an exciting event with all machines of the current machine generation - more application-driven than ever - and numerous live applications. Once again framed by a diverse program, with interesting discussion partners and Bavarian culinary delights.

For your visit, we kindly ask you to arrange an appointment with your sales contact. Should there be any changes to the program or the course of the event with regard to Corona, we will inform you in good time. We look forward to seeing you! Do you have any questions? Call us or send us an e-mail. We are always glad to be at your disposal.

Your entire team from Haitian International Germany

Numerous applications

Our Live Program 2022 with „Technologies to the Point“: Look forward to efficient industry solutions, partly with automation, reflecting our large machine portfolio and the unusually broad manufacturing spectrum of Haitian and Zhafir. A preview of the upcoming K Show.

Manifold framework program

Our supporting program 2022 features selected activities between technical information and relaxation, culinary delights and entertainment. With factory tours, keynotes and innovative Haitian partners presenting themselves and their solutions on site. Look forward to seeing familiar faces and good conversations.

We look forward to seeing you!

STAY INFORMED!
